Kate Sessions Commitment (100 trees per year)

Trees Planted in 2019—Baseline Information

Preliminary data, gathered directly from City staff in March 2020. Locations of planted trees may be posted on “Tree Tracker.” <https://www.treesandiego.org/tree-plotter> .

Together we can plant healthy trees, plant them where people want more trees, and invite creative financing. Kate Sessions Commitment is envisioned as a collective effort that invites and increases the planting and care of trees by our local organizations, businesses and municipalities.
